Revised State Trauma Plan and revised Attachments

Spread sheet showing all comments received

Agenda

This conference call is dedicated to the review of all comments received on the State Trauma Plan.

Proposed revisions will be discussed and finalized. You will find “strikeout” for deletions and additions in **red** so be sure to make a color copy. I have only included those attachments with proposed changes. I recommend you use “go to meeting” as it will be easier to review the document using this program.
